Additional guests:

Guest full name	Cost multiplier (e.g. 1, 0.5, 2.5)	Host
	1	Craig Hall Cutting
	1	Craig Hall Cutting
	1	Craig Hall Cutting

Step 2: What did you spend?

A) How much was spent by your shopper(s)? (To be reimbursed)

Shopper name	Amount	Vendor

It appears that they were included in the total number of eaters and money available to spend. They just didn't show up on that one screen, which was a bit disconcerting.

-Thanks,
Craig
